DISCLAIMER

This offer is only valid for Bay City Electric Light & Power (BCELP) residential customers and products must be installed in BCELP's service territory. The BCELP Residential Rebate Application cannot be processed unless all of the appropriate fields in this application are complete. Rebates are paid on a first-come, first-serve basis. All rebate payments for approved applications are subject to the availability of program funds. This application is only valid for purchases made between January 1, 2017 and December 31, 2017. All applications must be submitted to the program office or postmarked by December 31, 2017. Purchases made between December 23, 2017 and December 31, 2017 - determined by the invoice/receipt date - must be submitted to the program office or postmarked by January 8, 2018. Rebates will be credited to the electric account of the installation address. Please allow 2-4 weeks for your rebate to be credited to your utility bill from the time your **completed** application is received by BCELP. Incomplete applications will result in a delayed or denied rebate. Total rebate value cannot exceed the purchase price (before tax) and will be capped accordingly. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Please be sure you understand the Terms and Conditions of this application. Full Terms and Conditions can be obtained at our office or by visiting www.baycityenergysmart.org.

I have read and understand the terms and conditions. I certify that the information I have provided is true and correct and the product(s)/equipment for which I am requesting a rebate meet(s) the requirements in this application and in the standard terms and conditions.
