This offer is valid for BCELP residential customers and service must be performed in BCELP service territory. The AC Tune-Up application cannot be processed unless **all** fields are complete. Rebates paid on a first-come, first-serve basis. All rebate payments for approved applications are subject to the availability of program funds. This application is only valid for services performed between June 1 and September 30, 2021. Applications must be submitted to the program office or postmarked by October 31, 2021. Rebates will be credited to the electric account of the tune-up address within 4-6 weeks from the time your completed application is received. Incomplete applications may result in delayed or denied payment. Total rebate value cannot exceed the purchase price (before tax) and will be capped accordingly. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Please be sure you understand the Terms and Conditions of this application. Full Terms and Conditions can be obtained at the BCELP office. **I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED HERE IS TRUE AND CORRECT AND THE SERVICE FOR WHICH I AM REQUESTING A REBATE MEETS THE REQUIREMENTS LISTED ON THIS APPLICATION.**

Bay City Electric Light & Power

2021 Central Air Conditioner Tune-Up Rebate Application

A/C tune-ups restore much of the unit's lost efficiency and capacity! Additionally, they improve reliability by catching problems before they lead to failures. Keeping your unit clean keeps it running strong over the years.

Bay City Electric Light & Power is offering rebates up to **\$50.00** on central a/c unit tune-ups for residential customers who qualify. Rebates are available for single family homes, condos, or townhouses. Funds are limited and paid first-come, first-serve. This program runs June 1 - September 30, 2021 and is limited to one central air conditioner tune-up incentive every 5 years.

- Units 2 ton or greater qualify for a \$50 rebate.
- Units less than 2 ton qualify to receive a \$25 rebate.

DON'T FORGET!

- ⇒ Complete rebate application on the reverse side
- ⇒ Attach receipt with date of service indicating type of service performed and amount paid
- ⇒ Contractor information and signature is required

Submit application to:

BCELP Energy Smart
 900 S. Water Street
 Bay City, MI 48708
