This offer is valid for BCELP residential customers and service must be performed in BCELP service territory. The application cannot be processed unless **all** fields are complete. Rebates paid first-come, first-serve. Rebate payments for approved applications are subject to availability of program funds. This application is valid for services performed between May 1 and September 30, 2023. Applications must be submitted to the program office or postmarked by October 31, 2023. Rebates will be credited to the electric account of the tune-up address within 6 weeks of completed application receipt. Incomplete applications may result in delayed or denied payment. Total rebate value cannot exceed the purchase price (before tax) and will be capped accordingly. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Please be sure you understand the Terms and Conditions of this application. Full Terms and Conditions can be obtained at the BCELP office. **I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED HERE IS TRUE AND CORRECT AND THE SERVICE FOR WHICH I AM REQUESTING A REBATE MEETS THE REQUIREMENTS LISTED ON THIS APPLICATION.**

Customer Signature and Date:

Want to use less energy and help lower your energy bill? Get a central air conditioner tune-up. Without regular maintenance your unit may have to work harder which wastes energy and costs you money. Tuning up your unit can save on energy cost, help prevent breakdowns, and qualify you for up to a \$50 rebate! The sooner you schedule, the sooner you can start saving.

Bay City Electric Light & Power's Clean Energy Program is offering a rebate up to **\$50.00** on qualifying Central A/C tune-ups for residential customers. Rebates are available for single family homes, condos, or townhouses. Funds are limited and paid first-come, first-serve. This program runs **May 1 - September 30, 2023** and is limited to one central a/c tune-up incentive every 5 years.

- Units 2 ton or greater = **\$50** rebate
- Units less than 2 ton = **\$25** rebate

- ⇒ Complete rebate application on the reverse side
- ⇒ Attach receipt indicating type of service performed and amount paid
- ⇒ Contractor information is required

### Submit your application to:

**BCELP Clean Energy Program**  
**900 South Water Street**  
**Bay City, MI 48708**
